"Don't let them call You SKINNY"

advises shapely EDY WILLIAMS

appearing in "GOOD TIMES"—starring Sonny & Cher

A Columbia Pictures Release

"Competition for choice roles in Hollywood is truly fierce today. Usually the good roles call for an attractive, well-shaped leading lady and in these instances the skinny underweights just don't have a chance. I take no chances. When my regular meal schedule goes up for grabs in the constant rush of rehearsals, press parties, and guest appearances . . . I often depend on Wate-On for a quick and easy source of extra weight-building calories, quick energy elements, and other weight gaining nutrients. It feels so good to know that my figure, from head to toe, is all me! If you're thin and skinny because of poor eating habits, might I suggest you try Wate-On. Maybe the boys won't be yelling 'Hey Skinny' at you anymore!"

WE SNOOP ON THE GROUPS AND TELL ALL!

Don't droop—move with the groups!
It's all you want to know—'n more!

THE MONKEES AND GALFRIEND

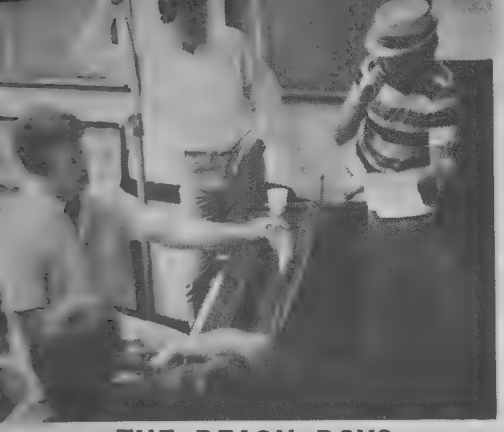
HERMAN

Get set for some real scoopy gossip on the groups you love best! It's the latest hot and groovy info!

We hear that **MICKY DOLENZ** and British mate **SAMANTHA (SAM)** are still burning up those trans-Atlantic telephone wires. But don't worry, gals, Micky's still playing the field! . . . For the first time since they leaped to fame, a **BEATLE** record, "Penny Lane," didn't hit the top of the song charts in England. And even more surprising was the fact that no one commented on it in print. A year ago, if a Beatle record wasn't No. 1 it was almost a national catastrophe. Of course, their popularity is important to them, but maybe they're starting to get some of the privacy that's also so important to them!

The parents of **PETER BLAIRE NOONE** (better known as **HERMAN**) are planning to buy and run a seaside hotel. If gal fans go there for a vacation, they just might catch a glimpse of the lovable Hermit! . . . **THE ROLLING STONES** will finally be gathering some film moss in their "Only Lovers Left Alive" screen debut. MGM, which was to have made the film with **NICK RAY** directing, dropped the project. But have no fear, it's been picked up with a budget of $2.8 million, by British Decca Records. Glad to hear that The Stone film is finally rolling! . . . There's absolutely no truth to the rumor that **RAIDER MARK LINDSAY** is cutting off his ponytail. It's hair to stay, gals!

The popular **BEACH BOYS** are on an all-out campaign to get to know their fans all over the world. The best way, according to them, is to tackle the language problem. **DENNIS WILSON** is learning Spanish,



THE BEACH BOYS

AL JARDINE speaks fluent German, and **MIKE LOVE** is versed in Italian and French. What happens if someone talks to them in a language other than those mentioned? "So long as **BRIAN's** with us," said Dennis, "we're okay. We leave the scene to him. Then he stands with his right ear to whoever is talking to him. That person shouts for awhile and then gives up. Brian's deaf in his right ear, you see." That should teach you that getting on the right side of Brian Wilson doesn't pay!

MARK LINDSAY

TROGG CHRIS BRITTON is wondering if he'll ever get back to tinkering with his secret, super-special car. "I started on it several years ago," he tells us. "I got an old chassis, and added an engine that I bought second-hand. Then I began to build the body out of fiberglass. Suddenly," explained Chris, "I was mad-busy with the group and had to leave the car." We asked Chris if it would go at a super-special speed. "Dunno," said Chris. "I was tinkering around with the engine and some special ideas of my own when I had to pack up. If I ever get to finish the job, it will either do over 100 m.p.h. or just explode. Your guess is as good as mine!" We know a few people who won't be in the passenger seat — if and when Chris ever gives it a trial run!

Sorry to report it, but **JOHN MAUS'** (of **THE WALKER BROTHERS**) pretty wife lost the baby she was expecting. We're really sorry about that, John and Cathey! . . . **DAVE DEE** of **DAVE DEE, DOZY, BEAKY, MICK AND TICH** smokes 80 cigarettes a day. His brand is Benson and Hedges, and those are even longer than King-size! Dave attributes his heavy smoking to nerves and having nothing to do when traveling — except smoke! . . . **GORDON WALLER,** who's half-splitting with **PETER ASHER** (just enough to continue a solo career), has been signed for his first straight role in a special play for TV by **ALUN OWEN** called "The Fantasists." We wish him the best of luck!

THE CREAM has recorded their first record in The United States. The session was supervised by their manager **ROBERT STIGWOOD** at Atlantic Studios in New York City. They recorded a single and half the track for a new LP. The rest of the album will be recorded in their own home town — London! . . . **THE MOVE** is becoming known as Britain's first electric band. For their act they use three stroboscopes (for lighting effect), two slide projectors, two banks of 24 lights, and untold amplifiers and mikes. Sometimes they even have to take their own generator. One thing's for sure, their playing sure starts sparks a-flying! . . . Speaking of electrifving talent, **PETE TOWNSHEND** of **THE WHO** is now wearing an electric jacket. Bet he causes a lot of static!!!

DAVE CLARK of **THE DAVE CLARK FIVE** figures there's no better way to keep his wrists supple for drumming than a spot of Karate, boxing, weight-lifting and unarmed combat. You know the old trick of breaking planks in half with the side of your palm? Well, Dave can do it! But don't worry, he's not thinking of getting tough with his fans! . . . At a sold-out **PETER, PAUL** and **MARY** concert, **PETER YARROW** sang a song he'd just written about a teenage beauty he loves. She was sitting in the third row! And who said that romance was dead?

THE BEATLES

JOHN SEBASTIAN of **THE LOVIN' SPOONFUL** just bought a beautiful new ranch house in Vermont. It's got loads of horses which he and his pretty wife **LAURIE** are just mad about! **MICHAEL D'ABO** of **MANFRED MANN** appeals to fans who grabbed his gold pendant at a show to return it. It was a wedding present from his wife **MAGGIE LONDON!**

KINK PETE QUAIFE can't stop talking about a paint for car upholstery he recently tried. "It's great," he says. "You can change upholstery colors from beige to red, or red to

JOHN AND LAURIE SEBASTIAN

dark blue, or to any other color you want in the matter of an hour or two." There's just one snag! Pete's so anxious to show his freshened-up upholstery to his friends, he doesn't always wait till it's properly dry. Quite a few of his friends end up with paint on their slacks or skirts! It's a pretty sticky situation!!!

That's the latest in scoopy info for now, but we'll be back next issue with more, more and more! • • •

Brave and fearless Davy will accept most any challenge! He'll climb walls, or swim the oceans and seas! Find out about his past and super stunts!

"I DARE you . . . I dare you!"

How many times have you heard one boy say that to another boy — or maybe even to you? Yes, boys will be boys — especially when they're sort-of young, sort-of devil-may-care and sort-of fearless!

Does Davy Jones fit that description? Well, when he lived in Manchester's Openshaw area, at 20 Leamington Street, he was known as a little "dare-devil!" He'd do just about anything anyone dared him to do! And sometimes (in fact, most times) the things he did didn't exactly turn out the way he'd had in mind. You're going to read now about some of the times Davy took a dare — and then what happened!

Take the time he was dared to walk around the top of the wall that surrounded Varna Street School. Like a real trouper, Davy wriggled up the wall, stood up and took a few steps forward. He's convinced he would have made it all around if it hadn't been for the noise all the boys were making. At any rate, he lost his balance and fell off — BOOM! The result?

Davy said, "I landed on the ground with my mouth shut — right on my tongue! I had to have three stitches in it to stop the bleeding! Messy, that was!"

Then there was the time some boys dared him to climb up to the roof of the school! Davy took the dare — and tried the only way he could think of to get to the roof . . . via the drainpipe! Once again, something happened . . . and our Davy found himself on the ground — with his top teeth sticking through his lip!

"I don't remember how many stitches that took," Davy said with a grin. "But it was rather painful I'm a lucky lad to have a mouth left!"

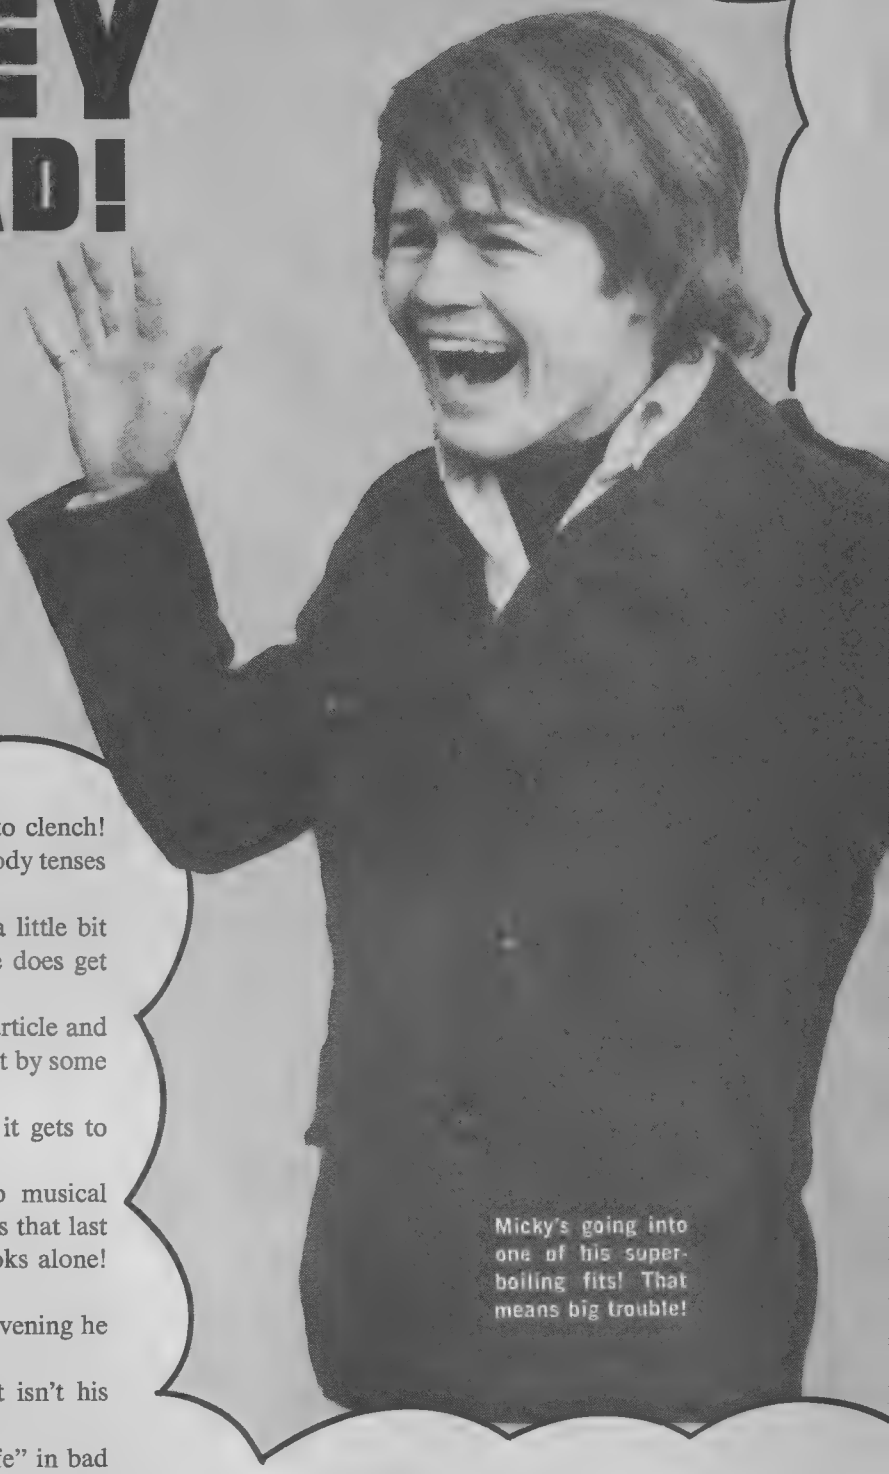
And then there was the day Davy was dared to show how well he could ice-skate! He lived near a canal, you see, which had frozen over during the night. But the layer of ice was very thin — not nearly strong enough to hold him for any length of time!

Well, who knows what would have happened if a kindly neighbor hadn't seen and heard the whole thing and had hurried to Davy's home to warn his family. Three seconds later, his sister Beryl, who's six years older, was dragging him home (and giving him a few well-placed love-pats along the way)!

Davy confided, "I don't think I was any worse than any other boy. Maybe just a little bit less lucky, that's all!" • • •

MICKEY GETS MAD!

Beware of a roaring explosion! When Monkee Micky gets angry, he really blows his lid, sky-high!



Micky's going into one of his super-boiling fits! That means big trouble!

HIS EYES start blazing and his teeth begin to clench! His fists tighten up and every muscle in his body tenses for action! Micky gets mad — and WOW!

Well, maybe we are exaggerating his actions a little bit . . . maybe he doesn't get all that violent. But he does get mad! For example . . .

. . . when he gets to the middle of a magazine article and finds out the rest of the pages have been ripped out by some non-thinking and positively rude soul!

. . . when he orders toast in a restaurant and it gets to him all soggy and cold!

. . . when people say The Monkees have no musical talent! The boys manage to give live performances that last over an hour — and they can't do it on good looks alone!

. . . when letters get lost in the mail!

. . . when he has to spend good money on an evening he knows is going to be boring!

. . . when he's late for an appointment and it isn't his fault!

. . . when he reads about his "supposed love-life" in bad gossip columns and gets linked with all kinds of girls he's never heard of!

. . . when he can't fall asleep at night because he's over-tired, over-excited or over-something!

. . . when the other Monkees try to get his goat by not talking to him! They succeed!

. . . when mashed potatoes are lumpy!

. . . when he thinks about all the wonderful things in life he hasn't had a chance to do yet — and calculates that if he lives to be two hundred, he still won't have time to do all of them!

. . . when he hears about cruelty to animals or children!

. . . when old girlfriends spread nasty rumors about him!

. . . when old friends avoid him because they think he's going to be stuck-up and "all Hollywood!"

. . . when he's planned a wonderful day out in the country or on a boat — and then it rains!

. . . when it starts getting dark early!

. . . when he can't make up his mind about what he'd like to eat for lunch and realizes that everyone he's eating with is waiting for him to decide!

. . . when he realizes that he can't personally thank all his fans for loving him! • • •

COOL SCOOPS FROM

Tune in to your own private gossip line to the stars!

MICKY DOLENZ AND TWIGGY

PAUL McCARTNEY

KEITH

Oscar-winner **ELIZABETH TAYLOR** and hubby **RICHARD BURTON** are kicking up their heels about who'll direct **ROSS HUNTER's** "Private Eye" and could mess up the whole thing. That would be a kicking shame! . . . **MONKEE MICKY DOLENZ** gets a huge kick out of meeting show biz greats — especially Tamla-Motown artists like **THE SUPREMES** and **THE FOUR TOPS.** Bet they get just as big a kick out of meeting him! . . . While we're on The Monkee scene, the word around is that **DAVY JONES** is learning to talk American-style from **MICKY.** Bet he sounds real cute!!!

DONOVAN's ambition is to buy a house in the country and furnish it sixteenth century style. Would have thought 20th Century Donovan would have wanted something more modern than that! . . . **KEITH's** Carnaby shopping spree left him with a lot of excess baggage for his return journey! . . . **LESLIE CAVENDISH,** a hair stylist at Vidal Sassoon, claims **BEATLE PAUL McCARTNEY** as one of his clients. That's a mighty impressive head!

LAURENCE HARVEY, co-starring with **MIA FARROW** in "A Dandy In Aspic," described his work with the tiny actress: "I have some hot love-scenes with Mia — when I can find her." Luckily for him, he's not working with **TWIGGY!!! . . . PETER SELLERS,** one of the many James Bonds in "Casino Royale," may need a Bond of his own to solve the complexities of his love-life! His estranged wife, **BRITT ECKLUND,** has set up her own home with their child. Furthermore, she's become friendly with and visits a previous Peter Sellers wife. That's quite an entangled web — even for an 007!

Meanwhile the real James Bond, **SEAN CONNERY,** has quite a gal co-starring with him in "You Only Live Twice!" Her name is **MIE HAMA,** and she's being billed as "Japan's Bardot." They're making things better in Japan nowadays! . . . Speaking of new gal stars, watch out for **JUDY GLEESON.** She appeared with **SIDNEY POITIER** in a movie called, "To Sir, With Love," and has already made her second film, "Beserk," with **JOAN CRAWFORD.** This gal's a real smasher!

STEVE McQUEEN and his favorite other woman, his blonde eight-year-old daughter **TERRY,** were doing the Cucumber at a Girl Scout indoor picnic. Wouldn't have minded being there! . . . When, if ever, are **THE BEATLES** going into production with the third movie they promised **WALTER SHENSON??? . . . LOVIN' SPOONFUL** member **ZAL YANOVSKY** certainly has had a lot of homes! Bet you didn't know that besides living in a laundromat, he also has lived on a Kubutz in Israel! . . . Glamour-gal **SAMANTHA EGGAR,** wife of young actor **TOM STERN,** is reported expecting in London! Congrats!

PETER BLAIRE NOONE, (HERMAN, to you) has his own remedy for the blues. He takes a brisk shower and

STARSVILLE!

Be the first in your crowd to get in on the latest!

then he walks, walks, walks. He claims this gets the blues right out of your system. At least, it works for him! . . . **DUSTY SPRINGFIELD** changes her clothes to match the moods of her songs. Guess you could call that "Method Singing!" . . . **FRANK SINATRA** is being handled with kid gloves by 20th Century Fox, for whom he's starring in "Tony Rome" in Florida. It hasn't been forgotten that during a previous film for the same company, Frank threatened to break the leg off the most popular guy on the set. The head of publicity told Sinatra, "Go ahead. We train our boys for this very thing." The betting was fast and furious, but Frank never turned up for the leg-breaking contest!!!

SANDY DENNIS and **ANTHONY NEWLEY** gave their all for the Warner Brothers' film "Sweet November." They shared 50 hot dogs for a scene filmed in Technicolor in New York's City Hall Park. Each star had to eat

SANDY DENNIS AND ANTHONY NEWLEY

all or part of 25 hot dogs for the scene in which they're supposed to be lunching on a couple of franks apiece at an open-air hot dog wagon. By the time he'd bitten into his 25th, said Newley, it felt "like a stick of dynamite!" Hot dog!!!

ENGELBERT HUMPERDINCK has this to say: "Don't call me 'Dinck' or Bert — but The Hump's fine with me." That's the final word — straight from The Hump! . . . England's **SANDIE SHAW** turned down her third acting offer in six months. West End theatrical man **PETER COATES** wanted Sandie for a straight acting role in a new West End Play he's putting on in the autumn. She turned down the offer because she won't appear at The West End unless it's in a musical. The only straight acting she'll do would be in a film. This info comes straight from her manager — **EVE TAYLOR!!!**

SCOTT ENGEL calls people "dear" — he says it's a bad habit he picked up from **JONOTHAN KING! . . . WARREN BEATTY** has been jetting from Hollywood to New York every weekend to see pretty **BARBARA HARRIS!** That's one romance that's really up in the clouds!!!

THE MONKEES

ADAM (BATMAN) WEST is due back in Hollywood from his South Pacific Bat honeymoon with his ex-wife **NGARUA,** the daughter of a Polynesian princess. The honeymoon was sort-of a trial reconciliation. The question now is will it take? "We hope so," is the word from their two children! We hope so, too!!!

JERRY LEWIS is determined to be the best-dressed guy on television when his show hits the TV tubes this fall. He currently has 350 suits!

Good listening is yours with these LP's . . . "Knight In Rusty Armour" by **PETER and GORDON** on Capitol, **ROGER WILLIAM's** "Roger" on Kapp, "Happy Jack" by **THE WHO** on Decca, **HARPERS BIZARRE's** "Feelin' Groovy" on Warner Brothers and "French Rock-Blues" by **MICHEL POLNAREFF** on 4 Corners.

Till next issue! • • •

WHISPERY RAIDER SECRETS!

SMITTY

FANG

SHHH–don't talk louder than a whisper! This is extra-special, private, and personal info! Be sure to keep it hushed!

SHHH! Don't tell a living, breathing soul, but the TPU spies and sleuths have dug up some fantastic secrets about The Raiders' past, present and future lives! Close all the doors and put bars on the windows. Then read this . . . but shhh . . .

Paul Revere often wishes he still owned that barber shop he bought with an inheritance! He often gets the urge, you see, to snip-snip-snip! We just hope he doesn't get those ideas when any of The Raiders are around! That would be disaster!

The Raiders were one of the official groups picked by the U.S. government to entertain armed forces troops all over the world and to appear in support of the Job Corps!

The Raiders don't particularly like to rehearse — and make up all kinds of wild and utterly ridiculous excuses to get out of it! (P.S. They always end up rehearsing nevertheless!)

Phil Volk (Fang) has an amazing mania for dentists — he can't stand going to see one!

Mark Lindsay has the largest wardrobe of all The Raiders . . . and he's quite the well-dressed young man!

The Raiders, unlike most other groups, sometimes like to have a quick snack before appearing on stage! According to them, food is relaxing! After a show, they're too worn-out and excited to eat!

Mike Smith doesn't realize you're talking to him unless you call him "Smitty!" (Just in case you're ever lucky enough to meet him, bear that in mind!)

The Raiders rarely if ever argue among themselves! If any disagreement comes up, it's Paul who handles it!

The Raiders hope to do more television — especially live or tape-live performances! They love to have real audiences out there . . . but they feel that they can reach more of their fans through television than through concert tours!

The Raiders really are as funny and "out of their minds" as they seem to be! And perhaps that's the most incredible Raider secret of all! • • •

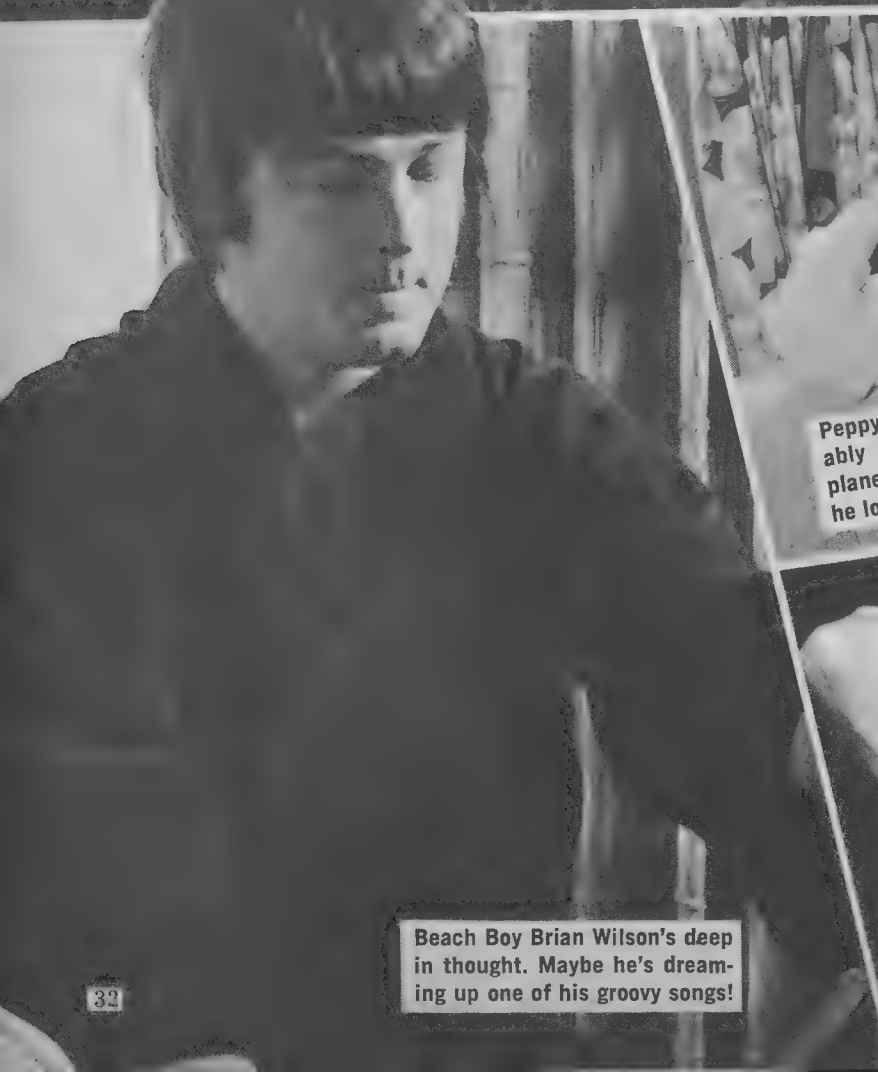
Take a long stare at these kooky, wacky 'n fun-filled group pix!!

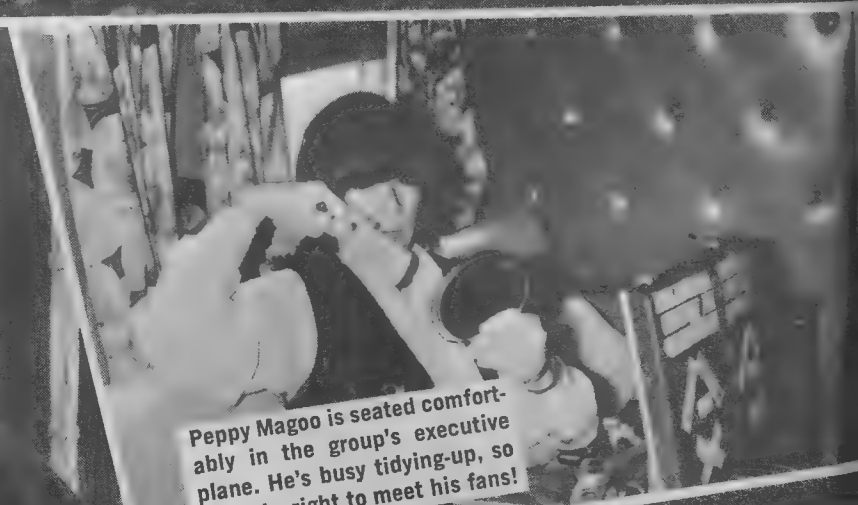
Heave-ho! Those Monkee boys are having a tug-of-war! But what's on the other end of the rope? Come now, pull harder!

Dig mustached Ringo sittin' on that couch! Who's his little furry friend??

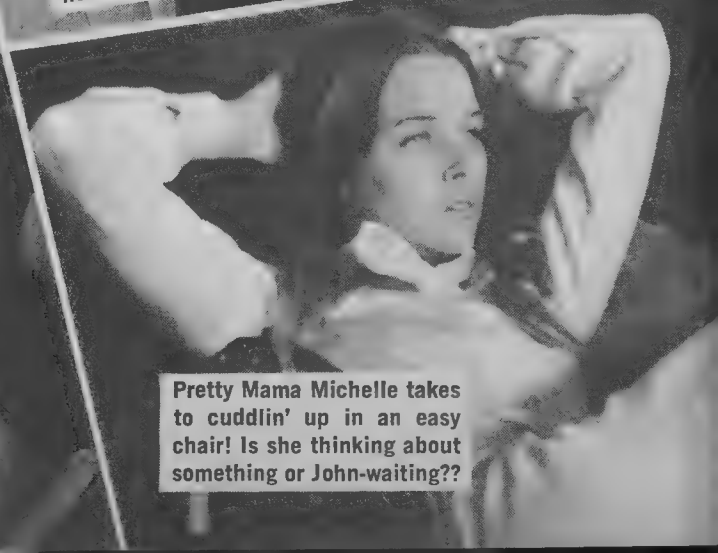
Beatle George Harrison's an awfully lucky guy! He's got two gals with him—Cilla Black and his pretty model-wife, Pattie!



Beach Boy Brian Wilson's deep in thought. Maybe he's dreaming up one of his groovy songs!



Peppy Magoo is seated comfortably in the group's executive plane. He's busy tidying-up, so he looks right to meet his fans!



Pretty Mama Michelle takes to cuddlin' up in an easy chair! Is she thinking about something or John-waiting??

Spoonful members Joe and Zal sit in their car — looking a bit lonesome. Wouldn't you love to join them for a spin?
Dave Dee and his merry troup are all decked out in new T-shirts. But they're all mixed up. Guess who's who, maties!

Take a look at the expression on Mike's face! He seems to be so serious 'n off in the clouds! Maybe he's thinking of that terrific past error!

MIKE'S GREATEST GOOF!

There was one mistake Mike made that was much worse than any other he ever made before – bad enough to cost him his future! Read about it!

MISTAKES, errors, boo-boos . . . we all make them. Even guys like Mike Nesmith. And do you want to know a secret? You're going to find out about one of the worst — one that could have ruined his life!

Mike confided, "All my life, I seemed to have one bad break after another. Maybe that happens to a lot of people. But I handled it wrong . . . I let it get me down! And I did something I shouldn't have — I almost let my problems make me a quitter!"

What problems could a rich, famous, witty, adorable Monkee have? For one thing, according to Mike, he'd always lived in "abject poverty." His parents were separated when he was very young and there wasn't enough money to get many of the finer things in life. They depended mainly on money from his father, who was in the service.

Mike confided, "We lived in the crummiest section of Dallas. To tell the truth, we wouldn't even have had a place to live if my grandfather hadn't left us a piece of land there. Anyway, it was depressing."

It was so depressing, in fact, that Mike left home when he was just seventeen. (Shortly after, you might be interested to know, his mother patented a liquid paper product and became a millionairess!)

The early part of Mike's "career" began just about then. And at that time, it didn't go much further than the beginnings.

Mike said, "Very often, I didn't have two quarters to rub together! I can't remember how many times I just wanted to pack the whole thing in and go jump off a roof!"

Yes, he had nothing but failures — one after another! When he teamed up with another musician and went touring, all they got from it was bags under the eyes and tired backs. Then they found another musician and formed what could have been a promising group. But the draft board interrupted that! Another failure!

Mike admitted, "I'd already married by then, and I had a son. I couldn't stop thinking about what I was putting Phyllis and Christian DuVal through! I didn't have a nice home . . . I didn't have a good future . . . I didn't have any money put away for emergencies . . . I didn't have much of anything! I felt that probably I could live like that, but how could my family!"

So Mike did what he'd been threatening to do for so many years — he packed it all in! He gave up, he quit show business!

Obviously, that exit didn't last forever. In fact, it only lasted about a month or two. And it was Phyllis who actually persuaded Mike to try again — and to keep trying until he became a success! She knew that singing and performing was what Mike really wanted more than anything. And what was so important to him was also important to her.

Mike admitted, "I don't know what would have happened if I didn't try again. I'd most likely be a very unhappy truck driver now. At any rate, leaving show business would have been the biggest goof of my life. I'll always be grateful that I got a second chance!"

We can think of about three million other people who are pretty grateful, too! Including you — and us! • • •

SIMON AND GARFUNKEL

TOMMY JAMES AND THE SHONDELLS

THE DAY of Karl Green's marriage to pretty Jill Davies was a very important day! Of course, it was important to Karl and Jill, but it also was of great importance to The Hermits and to Hermit fans all over the world. This is because it started off the big Hermit scare!

Everyone knew that Karl had a girlfriend. He'd met her two years before in Cheshire, England. Jill used to be in a group, and her group and The Hermits were both on tour at the same place. They dated for two years, and then at the age of 17 she gave up her career and married Karl!

That started the big Hermit panic! The fans started to go crazy! The big question was would Karl give up his career, too? And, if he did, what would happen to The Hermits?

Confusion and fear set in! Imaginations of Hermit fans were running wild! Maybe Karl's marriage would set off a marriage epidemic in The Hermit group. Just think, it could even get to Herman! HOLY HERMITS!

Meanwhile, back in Hermits-ville, things were proceeding as normal — normal for The Hermits, that is! They were working on songs, preparing for the filming of their new movie, "Mrs. Brown, You've Got A Lovely Daughter" and making appearances. At first they had no idea that their fans were in such a state of confusion and panic!

But they certainly were in for a big surprise! All of a sudden the phone calls started to come in from girls all over the world — frantic girls, screaming girls, crying girls, all kinds of girls! The Hermits just couldn't believe it! One girl heard that they were all secretly engaged, one girl heard that Herman was really married, and all of them thought that the group was splitting up! The rumors were spreading, faster and faster!

The Hermits didn't know what to do. They'd never thought of anything like this happening. You see, The Hermits had known that Karl's marriage wasn't going to affect The Hermits as a group! They've all known Jill since the first day that Karl met her, and they're all great buddies with her. Jill gave up her career to marry Karl and be a good wife, but all The Hermits knew that didn't have anything to do with Karl's career!

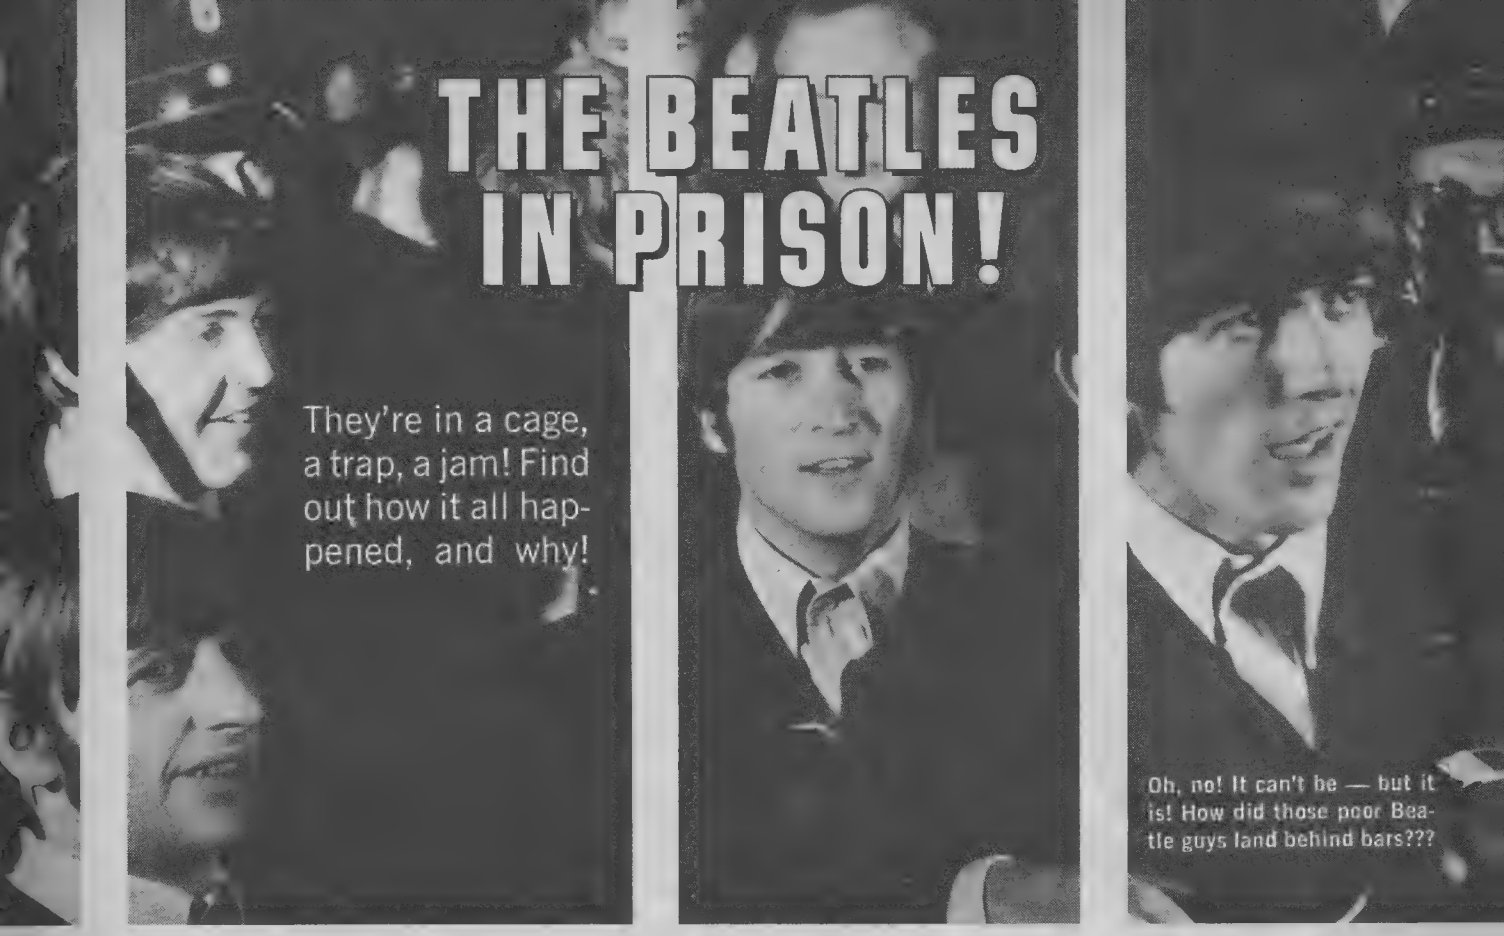
As for the rest of The Hermits, they have no marriage plans at the time. They're happy that Karl found the right girl, but they're not going to get "the marriage bug" until they find right girls of their own. And that doesn't look as if it's going to be for quite awhile yet!

So, all you worried Hermit fans can put your minds at ease. All of The Hermits are sticking together. The only difference is that there's "sort-of" one more Hermit than there was before — and a very pretty Hermit at that! • • •

Find out about the confusion, and fear that's invaded Hermit headquarters!

EXCLUSIVE- Big Hermit Scare!

The guys all smile here, fans! Don't let them fool you, something's wrong!



THE BEATLES IN PRISON!
They're in a cage, a trap, a jam! Find out how it all happened, and why!
Oh, no! It can't be — but it is! How did those poor Beatle guys land behind bars???

IT'S SHOCKING to think of those Beatle Boys behind bars — but it's true! They're in prison, and they have no idea how long they have to stay there! The only thing they do know is that they want to break out!

You might well ask what horrible crime The Beatles have committed to be sentenced to such a horrible fate. The answer — NONE! The Beatles have been imprisoned for only one reason — and that's because they're Beatles!

It all boils down to this . . . the boys' lives are not their own. They have no privacy or freedom of movement. A Beatle can't even take a casual stroll down the street. He wouldn't make it to the corner unrecognized. He'd be noticed in one minute flat, and then surrounded by crowds of fans — fans who just want to meet him, fans who just want to talk to him, fans who just want his autograph, fans who just want a lock of his Beatle hair — just, just, just!

The truth of the matter is that all this is unjust! It makes it very difficult for them to come and go as they please! It hurts them — but it hurts you, too!

"We'd make lots more appearances," said Paul, "if we could get around easier. But it's such a "hassle" for us to get from place to place. We've been thinking of using four flying saucers to get us from one destination to another. Of course, that's not possible," continued Paul, "but it sure would solve our problem!"

The guys have tried everything from sneaking around to wearing disguises. There was a time when George could go anywhere without being noticed. He'd taken to wearing a mustache, dark glasses and a funny hat. It worked so well that sometimes he even fooled himself! But since George grew a mustache of his own, his disguise doesn't work anymore.

"The only place I can go for total privacy," George told us, "is to Pattie's mother's farm. It's deep in the English countryside, and it's completely isolated. Nobody could ever find us there," said George with a smile. "It's so hard to find, sometimes I even have trouble getting to it myself!"

Things aren't any easier for Ringo and Maureen. In fact, they're even harder 'cause they don't have a retreat to go to!

"I've tried everything," complained Ringo. "But whatever 'get-up' I find, it doesn't work. I guess I'm not the 'disguisable' type — I'm always recognized. It doesn't even matter what country I'm in," Ringo continued, "it's still the same! When we were in Tokyo, I was just dying to go out and do a little sight-seeing, but the police didn't think it would be safe for us. We tried a secret break-out mission, but it fell through. I was really disappointed at not being able to see the city!"

John Lennon gets riled up about not being able to see his own city. In fact, he apparently is a "sight" all by himself — a sight for loving viewers, that is!

"I look out of my window on a weekend morning," John told us, "and I just can't believe what's outside! Fans, fans — they're all around me! They bring their baby carriages, their radios, and even their lunches. You'd think my home was a National Shrine. It's not that I don't like my fans and want to get to know them," John continued. "It's just that I really don't want to do that from my window ledge!"

So, you see, bars or no bars, The Beatles are very much in prison! In fact, they're the prisoners of their own loving fans. Sure, they love their fans and appreciate the success that the fans have given them. But sometimes, they can't help but get a bit depressed. After all, freedom can be a steep price to pay for anything — even being a Beatle! • • •

John's not only a fine animal-trainer, he's also pretty good in the refrigerator-raiding department! When his wife Laurie goes out shopping, John gets to work on the food! Luckily, smart Laurie always manages to keep one hot dog ahead of him at all times!

Steve Boone has one favorite pastime he's never too tired to enjoy. And that pastime is sleeping! . . . Steve's also the only Spoon who never smiles during performances! He just stares straight ahead as if he were in a trance! In fact, someone who watched him at a recording session recently asked later if Steve had played in his sleep! Zal Yanovsky has about one hundred and eighty-eight things he loves to do when he's not working! Just ask him and he might tell you them in one hundred and eighty-eight languages! (Maybe not quite that many.) At any rate, he is an expert in languages! . . . He's also one of the wildest dressers living these days! During the summer, you can catch him running in and out of coffee houses, record stores and book stores in Greenwich Village wearing the "strangest" outfits! In the winter, he has a habit of buying fur coats that have a peculiar way of matching his hair! . . . Zal's also a big reader! In fact, some people call him a "bottomless well of information!"

Joe Butler, as most people can guess, has one favorite thing in life — girls! In spite of the millions and tillions he's already met, his eyes get that extra twinkle every time he meets a new one! Undoubtedly, the girls' eyes have pretty much the same reaction! . . . Another thing Joe holds very near and dear is his collection of striped T-shirts! It's not the least bit out of line to say, in fact, that he has a passion for them! If you're thinking of getting him a few as a token of your appreciation, save your money! They all say in chorus that when Chris is driving, you'd better stay off the streets! All the guys took their first drive in Andover, England. Chris on Jan. 21, 1945, Reg on June 12, 1943, Ronnie on May 4, 1942, and Peter on May 3, 1944. Reg weighs in at 161 lbs. and stands 5'10". Chris has 145 lbs. to credit his 5'10" frame. Ronnie's 5'9½" and weighs 140 lbs. Peter's one inch taller than Ronnie and weighs 21 lbs. more. They're all bachelors, gals!

Fontana Records, 35 E. Wacker Dr., Chicago, Ill.

NBC, 30 Rockefeller Plaza, N. Y., N. Y.

ROBERT VAUGHN — Bob's aim is to be president of The United States by the time he's 50! He's seriously interested in politics and would love to hold high office! Bob was born on November 30, 1932 in New York City, which gives him just 15 years to make his wish come true. All that politics studying has sure kept his 6', 175 lb. physique in tip-top shape! Best of all, this handsome brown-eyed guy is still very much the swingin' bachelor!

ABC, 7 W. 66 St., New York, N. Y.

BURT WARD — Burt, the boy wonder, is a very romantic guy! He's so romantic that he thinks the moon should be out all the time. It should be out in the daytime as well as the evening, and it should always be bright and full. He admitted, though, that if that ever came true, he'd probably never go to work. He'd just take long walks with his pretty wife Kathey! Burt saw his first moon on July 6, 1943 in Los Angeles, Calif. But plenty of sunshine has been the cause of him growing to 5'8" and 139 lbs. Still he can't keep from his wishing . . . !

Phillips Records, 35 Wacker Dr., Chicago, Ill.

THE WALKER BROTHERS — These wishful-thinking guys have had some very wicked urges as of late. Their most recent is that they'd like to run through the streets without any shoes on their feet. They know it would be a rather wild thing to do, besides not being very clean. But still, this is their wicked wish! They think it would be jolly good fun! Barefoot Scott Engel made his first appearance on Jan. 9, 1944. He's 6'1" tall, and weighs 147 lbs. John Maus, the only married member of the group, is 6'4" and weighs 160 lbs. He hails from N. Y. C., where he was born on Nov. 12, 1943. Gary Leeds took his first step on Sept. 3, 1944 in Glendale, Calif. Since then he's stepped up to 5'11" and 135 lbs.

ADAM WEST (BATMAN) — Adam wishes that he could be a designer of women's fashions in his spare time. He says that women are going for such kooky things nowadays, that he could do as well as the top designers. He said that with a sly smile which leads us to believe that he might have some very wicked designs in mind! Handsome Adam was born in Walla Walla, Wash. on Sept. 19, 1933. He's a handsome 6'2" tall, and he weighs in at 168 lbs.

ABC T.V., 7 W. 66 St., New York, N. Y.

Write them at ATCO Records, 51 W. 52nd St., N. Y. C.

THE YOUNG RASCALS — This cool group wishes they could have a bicycle race around The Empire State Building in New York City. They think it would be a lot of fun to watch the unbelieving stares on people's faces. Since that's a very busy area, they know such goings on might be very dangerous. But if they could wish to do something wicked, that would be it! Eddie Brigati entered his first race on Oct. 22, 1945 in Garfield, N. J. He's 5'4" and weighs 120 lbs. Another racy member of the group is Felix Cavaliere, who's 5'9" and weighs 130 lbs. He hails from Pelham, N. Y. where he was born on Nov. 29, 1942. Also in the line up in Gene Cornish, who's 5'11" and weighs 170 lbs. This Canadian-born guy came into the race on May 14, 1944. Dino Danelli entered the world on July 23, 1944 in Jersey City, N. J. He's 5'9", and weighs 145 lbs. And gals, they're all single!

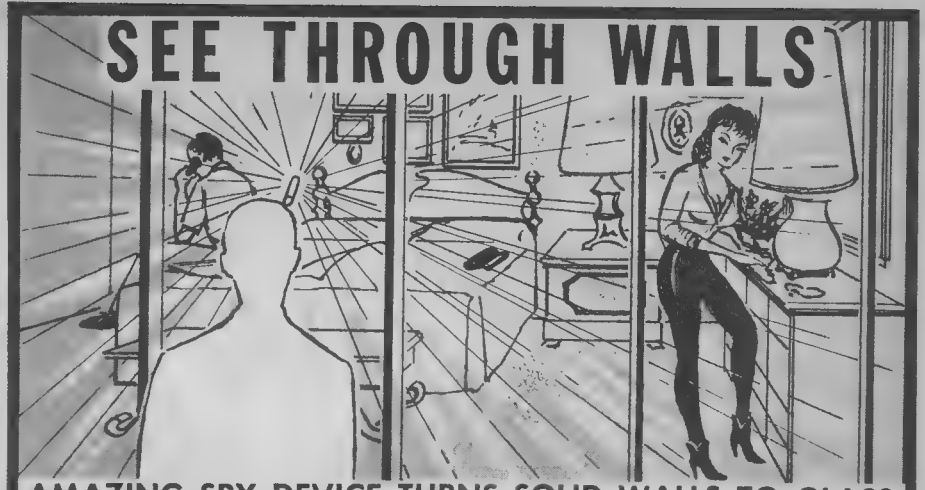
SEE THROUGH WALLS



AMAZING SPY DEVICE TURNS SOLID WALLS TO GLASS

Have you ever wished you could see what was going on in another room? Now, with "SPY-PEN!" every wall becomes an open door. Penetrates solid matter such as thick walls, doors and similar barriers. Even looks DOWN through floors into the room below. Many other uses too numerous to mention here. "SPY-PEN" conceals the greatest espionage device ever used by German intelligence during World War II to observe suspected enemies of the state. Used TODAY by INTER-POL secret police to get the goods on dope smugglers, agents from foreign countries, etc. "SPY-PEN" clips into your pocket like an ordinary fountain pen. Even if seen it will never be suspected.

—— BUILT-IN SECRET DRILL ——

To see through walls, a secret drill inside silently makes an unnoticeable hole right through the toughest plaster or wood. (Even a person standing near the wall will not hear the hole being drilled.) Then an amazing precision optical instrument also concealed in the "SPY-PEN" telescopes through the hole.

—— PHOTOGRAPH THROUGH WALLS ——

This instrument has a 172° wide angle lens that scans the ENTIRE ROOM from wall to wall, beyond the scope of ordinary human vision. You can photograph through the "SPY-PEN." Lets you see persons standing against the SAME wall you are looking through. Use it whenever you want to secretly view an ENTIRE area, TOP, BOTTOM and SIDES. Think of the things you can uncover with this masterful secret device. Unlimited uses. Comes complete with instructions and suggestions for obtaining perfect results.

PERMANENT INSTALLATION OR PORTABLE

"SPY-PEN" can be permanently installed anywhere and yet never be detected. Order extras and install them wherever desired. "SPY-PEN" is the "ONLY" observation devise on the market today that is portable and can be used in more than one place, since it does not require permanent attachment to the wall or door. Order now on our 10 day free trial. If not **100%** delighted, return for prompt refund.

LETTERS TO THE EDITOR

AYE-AYE

Dear Editor:

I think TEEN PIN-UPS is the most fantabulistic mag ever printed on the face of the earth! The pin-ups are groovy, the stories are great and the gossip is red-hot! I like every word, every pix! But in the July issue, I nearly blew my skull over The Monkee stories! "Mike — 'How I Proposed'!" . . . "Davy's Wild Night Out" . . . "Micky — 'I Kiss and Tell'!" . . . WOW!! And the pix of Peter — DROOL! And I can't forget The Raiders, my second-fav group. That story about their Blood-Thirsty Wishes was the living greatest! Believe me, I think TPU is just fab!

Sharon W., Detroit, Mich.

EDITOR'S NOTE: We think you're thinking some pretty nice thoughts! And we also think you should keep thinking them!

TERRIF

Dear Editor:

TPU is really terrif! It's the best mag I've ever read — and I've tried all of them! I just wouldn't read any others anymore now that I've found yours! You've got everything I like: stories, pin-ups, contests, gossip columns and life stories! What more could a girl ask from a magazine?

Janie J., La Mesa, Calif.

EDITOR'S NOTE: If you come up with anything, let us know. We'll try even harder to please you!

CHEERS

Dear Editor:

Three cheers for the May issue of TEEN PIN-UPS! One cheer is for the stupendous Monkee stories, like "Davy's Hush Weekend" and "Peter's Wild Desires!" The Monkees are fantastic — and your stories about them are honest, well-written and great! Another cheer for the pin-ups of all the people I love, such as Herman, The Raiders, Nancy Sinatra, Mitch Ryder, Davy Jones and Peter Tork, The Beatles, The Blues Magoos, etc., etc., etc! And the last cheer is for "Love Secrets and Life Stories of Your Favorite Stars!" As usual, it was packed with info and lots of goodies! Hip, hip, hooray!

Julie N., Nashville, Tenn.

LIFT OFF

Dear Editor:

Ever since I started reading TEEN PIN-UPS, (two issues ago) my life has changed drastically! Your mag is so wonderful, it just takes me right up out of the dumps the minute I see the cover! What more can I say? You're the living end in wonderfullness!

Joanne E., Trenton, N. J.

BIG BREAK

Dear Editor:

I bet you never thought your magazine would break up a happy couple! Well, it did! When I got my July TPU in the mail, my boyfriend Ralph saw it. He wanted to read "Cool Scoops From Starsville" and "We Snoop On the Groups." So he took it — and he never gave it back! If borrowing TPU and never giving it back isn't grounds for a break-up, I don't know what is! Actually, I'm kidding, as you probably realize. We didn't break up — but Ralph never returned the mag! I'd like to read the groovy stuff and look at the "Naughty Group Pix" myself! What can I do?

Judy S., Los Angeles, Cal.

EDITOR'S NOTE: May we suggest His and Hers copies of TPU? Better yet, why not pore over each issue — together?

Dear Editor:

You can always trust TEEN PIN-UPS to give you the latest scoops on everyone important! You must have some group of spies working over there — even better than David McCallum, Robert Vaughn, James Bond and Noel Harrison all put together! I just loved "Hot Herman Happenings" and "The Beatles — Their 10 Hottest Scoopies" in the July issue! It's almost as if I'm right there, with the guys, when things happen to them! It's great — and you're great for writing about it! Thanks so much and don't stop writing!

Linda F., New York, N. Y.

EDITOR'S NOTE: Thanks so much and don't stop reading!

WORDY

Dear Editor:

I have an opinion of The Monkees and your magazine! Actually, I could say it in a word or two, but I prefer to make a list. Here's my opinion: The Monkees and TEEN PIN-UPS are junky, stupid, flat, dopey, ridiculous, goofy, draggy, unhip, low-class and pure garbage! The Monkees are all those things because they have no talent and have the nerve to pretend they do! And you're all those things because you fill your so-called magazine with them! Who do you think you're kidding? In a word, you both stink!

Betty K., Baltimore, Md.

LYRICAL

Dear Editor:

I wrote a poem about TEEN PIN-UPS and The Monkees I wish you would print. In just a few words, it sums up all my feelings . . .

I love The Monkees very much . . .
Micky, Mike, Davy and Pete!
And the stuff in TPU 'bout them,
Man, it's super-neat!

Patsy G., Peekskill, N. Y.

EDITOR'S NOTE: We're inspired to write one of our own . . .

We think The Monkees are a
groovy group,
Full of song and fun!
And of our readers, let us say
We love them by the ton!

HOW TO GET INTO SHOWBUSINESS

OPPORTUNITIES IN MOVIES, TELEVISION, STAGE, RADIO, RECORDS, SCREEN, CLUBS !

Are you talented? Do you like acting, singing, model work, spinning records, music, folk singing, and all the other wonderful ways of entertaining people? Are you dreaming of a big future in the glittering world of show business? WHAT ARE YOU DOING ABOUT IT?

Do you watch movies and television, or listen to Disc Jockeys and feel YOU could do a better job? Could you make the hit the Beatles have made,..if you had the big chance? Do you believe YOU could succeed?

Ask yourself a question. What are you doing about it? Are you dreaming? Hoping for a chance? If you are you are doomed to failure. There is more to it than that. Elvis Presley, Brenda Lee, Frankie Avalon, Haley Mills..Yes..even the Beatles and the Dave Clark Five were well trained BEFORE their big chance came along. Training is a must today. Showbusiness today is a multi-million dollar business and only trained performers get the breaks. The dreamers fail because they are only dreamers. In every profession today there is room only for those who are willing to train for their work. This is especially true of showbusiness where thousands of dollars are invested in a production. No producer will take a chance on an untrained dreamer. They will take chances on a trained performer with talent. There is no time in this fast business to waste holding up productions while a director tries to show an untrained performer what to do. Today a performer must be ready to perform when he or she takes the job. Are you ready?..or are you dreaming about being ready..? Are you dreaming about the fun, the glitter, the money, the roar of the crowds and the exciting popularity..and FORGETTING the preparation ?

Now there is a quick, proven way for you to get the training you need. It is called "TOTAL ASSISTANCE TRAINING". It was developed for people just like you. People with talent, who want to get into showbusiness and who are willing to work and prepare for it. It can guide and help you all the way to your goal. It is all done easily and quickly at home in spare time. Hundreds of young people have found this the answer to their showbusiness problem. The glitter and excitement of showbusiness would never have come for many if they had not tried this plan. Total Assistance Training can guide and help you as it has so many others. Let International Showbusiness show you how this plan can help.

FREE BOOKLET TELLS EVERYTHING! In it you will see what Total Assistance can do for you. Learn how you can have complete training with a diploma guaranteed, and then free publicity, representation in the talent directory, lifetime help and supplements, agency-television-movie-radio-theater and producer lists, question and answer services, and job recommendation services....all included in the one big program. You will learn, how, at low cost, in spare time, in your own home, you can begin to make your dreams come true. Total assistance is training, help, publicity, and consideration for your ambition. Write for this free booklet today. Stop dreaming! Begin to move! Don't put off your chance another minute! Take your first big step into the world of Disc Jockey, Actor, Actress, Singer, Guitarist, Model, Songwriter or Entertainer TODAY! The book is free and there is no obligation. It can change your future! Right now you are doing nothing that can get you into Showbusiness Dreams will never get you there. Let Total Assistance show you the way. Write for YOUR booklet NOW!
